

Corporate Greenrealestate™ Leader

This certifies that

Name of Firm

has achieved the Ultimate Distinction of <Emerald, Jade, Turquoise>
Level Corporate Greenrealestate™ Leader

Corporate Greenrealestate™ Leaders believe that a successful Real Estate Business is dependent upon a healthy and sustainable environment.

Corporate Greenrealestate™ Leaders show environmental responsibility and leadership through commitment to the following:

- They encourage their Real Estate Representatives to become advocates of Greenrealestate™ practices through the National Association Of Green Agents and Brokers (NAGAB),
- They conserve energy, water and other natural resources in their office environments,
- They develop and implement office practices that prevent pollution and waste,
- They are an environmentally responsible business,
- They comply and strive to exceed all applicable environmental regulations.
